Give one of our Personal Financial Officers a call today at **641-754-4501** to take advantage of these special rates.

## BEWARE OF SCAMS!

Please **DO NOT** give your account number and the credit union's routing number to anyone over the phone or on the internet. You are giving the scammers access to your bank accounts.

The credit union has had several cases where the scammers are asking members for their account information, telling the member they are going to deposit money in their account. They ask the member to go out and purchase VISA gift cards, put money on them and then the scammers call back to get the information on the card, then they use the money off the card and the electronic check deposits they make to your account come back fraudulent and the member is out the money. The scammers are very persuasive and will keep calling and harassing you, the member.

The credit union has also had cases where the scammers call the member and tell them they are a grandchild and need their help, or need them to bail them out of jail. They give the members instructions on how to send the money. **THIS IS ANOTHER SCAM – DO NOT DO IT.**

If you fall for these scams your money will never be recovered and you are responsible for any losses on your account. **PLEASE CALL THE CREDIT UNION IF YOU HAVE QUESTIONS.**

## TWO LOCAL CREDIT UNIONS, ONE MISSION:

### ***“PEOPLE HELPING PEOPLE”***

**(PLEASE SHARE THIS WITH YOUR FRIENDS AND FAMILY)**

Lennox Employees and Member1st Community Credit Unions have joined forces to educate the community about the deep roots both credit unions share in Marshalltown and their shared commitment to the credit union mission of **“people helping people”**. Lennox Employees Credit Union has been in existence for 74 years and completed a major remodel in 2018, adding state-of-the-art technology to better serve their members. They are looking to expand again in the future. Member1st Community Credit Union was founded 58 years ago and continues to help members of the Marshalltown community with their financial needs. To that end, the credit union is investing in a new facility to better serve their members.

Both credit unions offer exceptional member service. And members are more than just a number. There is great pride in the personal relationships they build with their members, offering friendly, trusted financial resources. Just like the 1980's sitcom “Cheers,” at Lennox Employees and Member1st everybody knows your name. And more than that, when you join a credit union, you are an owner, you own a share in the credit union. As not-for-profit financial institutions, credit unions are governed by their membership through a member-elected voluntary board of directors.

**Both Lennox Employees and Member1st are local homegrown credit unions that have a long history of serving the Marshalltown community.** With the community's support, both credit unions will continue to play an important role in growth and prosperity of Marshalltown. If you see us out in the community wearing our green shirts we are promoting Marshalltown's homegrown credit unions. Stop by and say hello, we would love to chat with you.
